▶ Started at Kimball Electronics in 2017

- Vickie resides in Indianapolis, Indiana. In her free time she enjoys spending time with her family, especially her grandbabies, and watching documentaries or her favorite movie: Coming to America 2.
- Some of Vickie's favorite memories with Kimball Electronics were the 60th Year Celebration and the Habitat For Humanity home build. Kimball Electronics is Vicki's employer of Choice because "the medical devices we manufacture are very important to peoples lives and I like to be a part of that."
- Vickie's favorite office tradition is when the facility has pot luck lunches. It is a great opportunity to try new foods and bond with co-workers.
