

Rebecca Merder

Global Quote Manager
KESS - Business Development

▣ Started at Kimball Electronics in 2002

Rebecca resides in Bretzville, Indiana, where she enjoys riding her horse and spending time with her family. A fun fact about Rebecca is that she was homeschooled, and then attended college while also working full time on the KEJ production line!

Kimball Electronics' family culture has made a lasting impact on Rebecca. One of her favorite memories with the company is when all of her co-workers pitched in to help her move in one day! "I'll never forget the help of my Kimball family on that occasion and over the years."

In her position, Rebecca loves developing global relationships and being able to make a difference every day for the company. "I love working for a company that encourages new ideas, independent thought, and questioning our processes for individual growth." She feels her talents are being 100% utilized here, and that there are plenty of opportunities for further growth.
